

Overview:

We are looking for a full-time pediatric Occupational Therapist for a preschool and outpatient setting! Therapists see a variety of clients from 2 years to 12 years old with varying diagnoses. Mitchell's Place is a collaborative environment, so the OT can expect to work and collaborate with speech therapists, teachers, and BCBA's.

About the Mitchell's Place:

Mitchell's Place is a cutting edge, evidence-based autism treatment center that opened in 2005 and has become one of the premier providers of therapeutic interventions for ASD in the Birmingham area. Mitchell's Place is committed to providing a nurturing environment aimed at improving the quality of life for clients and families. The Mitchell's Place team includes speech therapy, applied behavior analysis (ABA) therapy, psychology, psychiatry, and a preschool program. This allows for frequent collaboration and a multidisciplinary approach when needed for clients. Mitchell's Place has a well-developed reputation across the state of Alabama for providing services that improve the quality of life for our clients and their families.
